TROY

\$300,000 For Businesses Impacted By COVID-19

Mayor Patrick Madden has announced the availability of \$300,000 in federal grants to assist small businesses in Troy impacted by COVID-19 as part of the Troy Small Business Grant Program. The program is administered by the Community Loan Fund of the Capital Region in partnership with the City of Troy.

Grants ranging from \$2,500 to \$10,000 are available for small businesses of 20 employees or less who have experienced a revenue loss of at least 25% as a result of COVID-19. The program will also include specialized trainings to help business owners adapt to COVID-19. The program is for businesses located within the City of Troy.

The program is funded through the U.S. Department of Housing and Urban Development (HUD) which has allocated \$577,015 to the City of Troy as part of a Community Development Block Grant authorized by the Coronavirus Aid, Relief and Economic Security (CARES) Act of 2020.

The Community Loan Fund is currently accepting applications for the program. The deadline to submit applications is April 22, 2021 at 5 pm.
